

ELLIS MIDDLE SCHOOL – PTO INFORMATION AND REGISTRATION

Ellis Middle School (EMS) is committed to nurturing and guiding every student on a path to success, and EMS needs your support! It's so easy – if every Ellis family participates, EMS will remain the outstanding school it has always been. Here's how:

1. Join the PTO -- \$25 (PTO dues are \$5 per family with a suggested copier fee donation of \$20 per student)*

Your financial contribution will help fund programs such as technology, fine arts, athletic programs, teacher development, etc. Joining the PTO does not obligate you to attend meetings or to serve on the committees. It is instead an easy way to show support for our teachers and school.

2. Volunteer – Registration is now OPEN! *Your Registration is not a commitment to volunteer but rather your way to select areas of volunteering that interest you.***

Preview the volunteer opportunities and areas where you can help! We only need a bit of information to register you as a PTO supporting member.

The QR code to the right will take you straight to the registration form so that you can stay connected with the PTO and all that we do at our Ellis Middle School campus. Payment information is located at the bottom of the registration link to make it even easier for you to donate. *Use the camera app on your phone to scan the QR and generate a link that will take you right to the registration form and payment options.*

Don't forget to join the "Ellis Parents" page on Facebook. It's the best way to stay informed about EMS!

If you have any additional questions, please do not hesitate to reach out to Kelly Brandon, PTO President, at KBrandon14@comcast.net or to our PTO email account at EllisMiddlePTO@gmail.com.
